

Portrait in Georgia

Hair—braided chestnut  
    coiled like a lyncher's rope,  
Eyes, fagots,  
Lips—old scars, or the first red blisters,  
Breath—the last sweet scent of cane,  
And her slim body, white as the ash  
    of black flesh after flame.

First published as number two of three "Georgia Portraits",  
*Modern Review*, January 1923.
